

# ABOUT BENELECTINE

Over the past 30 years, the Birdies for Benedictine Charity Golf Classic has successfully provided much needed support for Benedictine's school and adult day and residential programs, which serve developmentally disabled children and adults ages 5-70+.

Nationally recognized and accredited, Benedictine is one of the few year-round, comprehensive, nonprofit, special education service providers in the region, and one of the largest employers on the Eastern Shore.

Funds raised from the Charity Golf Classic will support urgent needs, including student and adult program funding, facility repairs, and staff development.
